SUMMARY

Vassilis Kontses is a graduate of the Department of Computer Engineering and Electronic Systems with parallel studies of classical saxophone music. Since he was a young boy he has excelled in mathematical competitions and he has also been involved in team sports (basketball) from childhood to youth. With his mathematical spirit, teamwork and harmony of his musical studies, he looks forward to using his potential dynamically in the technology industry. So far, he has completed his six-month internship as a web developer, and works at the Thessaloniki Metro as an IT Support Engineer.
